

SILKSTONE VINEYARD – DUET 2024

Appearance

A luminous golden hue with hints of green in the glass.

Nose

A luminous golden hue with hints of green, this refined blend of 75% Bacchus and 25% wooded Chardonnay offers a captivating bouquet of ripe peach, citrus blossom, with a hint of toasted vanilla.

Palate

The palate is richly textured, balancing creamy oak nuances with vibrant acidity and aromatic elderflower. Layers of honeyed melon and zesty lime lead to a long, elegant finish.

Food pairing

This wine shines alongside delicately seared scallops or citrus-herb roast chicken, where its vibrant acidity and elderflower notes lift the dish while the creamy oak and honeyed fruit add depth to each bite.
