

SILKSTONE VINEYARD – BACCHUS 2024

Appearance

Pale yellow gold with green hues in the glass.

Nose

Fragrant aromas of lime zest, elderflower, gooseberry, a hint of passionfruit and freshly cut grass.

Palate

Full of ripe green fruit on the palate showing apples, pears and lime cordial, moving into nuanced layers of peach stone and nectarine skin. A refreshing acidity and lightness with a juicy fruit sweetness is followed by clean, minty herbaceousness on the finish.

Food pairing

This wine pairs perfectly with herby fish dishes, cream sauces, goats cheese and lightly spiced Asian food.
